

MSc in Finance 2010

Grenoble Class Profile

**Graduate
School of
Business**

Our Mission

The mission of the Master of Science in Finance program of GGSB is to:

- *Provide young or experienced graduates from all over the world with an advanced knowledge in finance, based on the latest developments of financial theory and practice, and viewed from an international perspective*
- *Prepare them for careers in banking, financial services or to hold corporate finance positions within international companies at a managerial level*
- *Provide the business community with highly qualified executives in financial management, with strong technical knowledge, an understanding of the strategic impact of financial decisions, and the interpersonal skills necessary to manage in a global environment.*
